WINE LIST

ABOUT

THE
SWAN

HISTORY

The Swan gets its name from the annual ceremony of 'Swan Upping,' performed every year since the 12th Century on the River Thames. This ceremony sees the Queen's Swan Warden and his team checking the swans on the river for health, recording and marking them from a flotilla of skiffs. It's traditional for the flotilla to stop at The Swan Hotel on the second day of Swan Upping for lunch.

The Swan is found on the Hythe, which means Landing Place on the river or island post. It is an incredibly historical part of Staines, with evidence of a Roman settlement having been found here. The famous diarist Samuel Pepys was also a regular at The Swan.

OUR WINE LIST

In addition to a comprehensive main list, we also offer a regularly changing selection of wine by the glass via Coravin. A revolutionary device that allows us to extract wine from a bottle without the need to remove the cork, the Coravin opens up a whole new world of possibility by the glass.

Each month we also complement our list by adding a number of exciting, fine, or unusual bottles in our 'Cellar Select' list. For our latest offering, please see this month's Cellar Select insert.
